Correction to: Woo and Sohn *Financial Innovation* 2022, 8(1):42 <https://doi.org/10.1186/s40854-022-00347-4>

Following publication of the original article (Woo and Sohn 2022), the authors identified a typesetting error whereby the incorrect Fig. 1 was published in the HTML version of the article. Figure 1 in the PDF version of the original article is correct. The publishers apologize for this error.

Further to this, it was reported that a comma was missing in Eq. (2). The corrected Eq. (2) is given below:

$$Sim_j[s_1, s_2] = \begin{cases} 0, & m = 0 \\ \frac{1}{3} \left\{ m \left(\frac{1}{|s_1|} + \frac{1}{|s_2|} \right) + \frac{m-t}{m} \right\}, & m > 0 \end{cases}$$

The original article has been updated.
